**Final Vote** - Zoning Request Z18-004 - Rezoning from R-20 to RAD-Conditional for two residential lots at 4.69 units per acre - 0.426 Acres - Land Lot 519 - 2451 Adams Drive - Ronald S. Dickinson

**ISSUE:** This is the final vote for the rezoning, after the public hearing and the property has been annexed. The applicant is requesting to rezone the property from R-20 to RAD-Conditional for the subdivision of the subject property into two lots. The applicant is proposing to leave the existing home on one lot (closest to Belmont Avenue) and construct a new detached single family home on the second lot. The zoning proposal would provide for lot sizes of 9,493 sq. ft. (existing home) and 9,085 sq. ft. (new home). The existing home will keep access off Adams Drive and the new home will have access off Adams Drive. The conceptual building plans submitted with the rezoning, indicate residential elevations will employ a variety of building materials and architectural features that will enhance the architectural standards of the general neighborhood.

**BACKGROUND:** This zoning request was heard by the Planning and Zoning Board at the March 12, 2018 meeting and was recommended for approval by vote of 6-0.

**RECOMMENDATION/REQUESTED ACTION:** Community Development recommends **approval** rezoning the subject property from R-20 to RAD-Conditional for two detached single-family units at a density of 4.69 units per acre with the following conditions:
