Approval of Resolution 2018-06 extending the emergency 911 surcharge and allowing to the State of Georgia to collect on the City's behalf

ISSUE: Effective January 1, 2019, the State of Georgia under a 911 Authority, will begin centralized collection of E-911 surcharges. The current \$1.50 per line surcharge will remain the same but will be collected by the state and distributed to local jurisdictions.

BACKGROUND: During May 2001, the City council approved a resolution authorizing the City to collect \$1.50 per line monthly surcharges from telephone subscribers within the City to offset the costs of providing 911 telephone services to residents and visitors. In 2017, legislation was passed effectively forming a State 911 authority to maintain oversight of the auditing, collection, and distribution of 911 surcharges.
