<u>Public Hearing</u> - Variance Request - V18-060 - Allow front setback reduction from 35 feet to 22 feet for an addition to a single family residence - Land Lot 384 - 0.32 acres - 621 Highview Drive - Jacob and Laura Tilton

The applicant is requesting a variance to reduce the front setback from 35 feet to 22 feet in order to construct an on an existing single family home at 621 Highview Drive. Section 801 requires a front setback in R-15 zoning district set. The subject property is non-conforming as the minimum lot size for R-15 is 15,000 sq. ft., and the subject property 39 sq. ft. The subject property is also a corner lot with front setbacks along Highview Dr. and Cherrydale Ln. nally, the existing structure is facing the intersection, rather than either road frontage, leaving minimal area to construct lition

BACKGROUND: None.

MMENDATION/REQUESTED ACTION: The applicant is requesting to deviate from the development standards shed by the City for the front setback of 35 feet. The applicant is requesting a variance to reduce the front setback to to construct an addition to a single family residence. According to Section 1403 of the Zoning Ordinance, variances e reviewed under the following standards: (1) Whether there are unique and special or extraordinary circumstances g to the property; (2) Whether any alleged hardship is self-created by any person having an interest in the property; ether strict application of the relevant provisions of the code would deprive the applicant of reasonable use of the y; and (4) Whether the variance proposed is the minimum variance needed. Community Development has reviewed uest against the variance review standards and found it to be in compliance with four (4) of the four (4) standards. variances have been approved throughout the city. At the time of this report, Community Development has not

## File #: V18-060, Version: 1

d any phone calls regarding the variance request. After a review of the standards above, Community Development s that the encroachment will not adversely affect surrounding residents; therefore, staff recommends **approval** of the ted variance with the following condition:

proval of the requested variance shall be conditioned upon the development of the property in stantial compliance with the site plan submitted with the variance application.

<u>REQUESTED ACTION</u>: The License and Variance Board hold a public hearing per Section 1400 of the Smyrna Code.
