<u>Public Hearing</u> - Variance Request - V18-061 - Allow six foot wooden privacy fence in front yard on corner lot - Land Lot 560 - 0.30 acres - 1450 Walker Street - Matt and Melissa Ivie

The applicant is requesting a variance to allow a six wooden privacy fence in the front yard at 1450 Walker Street. The subject property line adjacent to Walker Street and Morris Circle. The subject property has road a along three sides of the property, which creates front yards on three sides. The existing home currently has a non-ning chain link fence which will be replaced by the wooden privacy fence. Section 501 controls the location of fences code of Ordinances. The subject property has an existing non-conforming chain link fence along the property line. The nt would like to replace the chain link fence with a six foot wooden privacy fence. Due to the property having road e on three sides, each of those sides is considered a front yard. Section 501 restricts the height of fences within a lard to four feet. Strict application of the ordinance would require a fence greater than four feet in height be setback 35 m the property line on each side with road frontage.

**BACKGROUND**: None.

MMENDATION/REQUESTED ACTION: The applicant is requesting a variance to allow a six foot wooden privacy in the front yard on a corner lot at 1450 Walker Street. According to Section 1403 of the Zoning Ordinance, variances are reviewed under the following standards: (1) Whether there are unique and special or extraordinary circumstances go to the property; (2) Whether any alleged hardship is self-created by any person having an interest in the property; ether strict application of the relevant provisions of the code would deprive the applicant of reasonable use of the y; and (4) Whether the variance proposed is the minimum variance needed. Community Development has not d any calls in opposition to the request. After a review of the standards above Community Development believes that riance will not adversely affect surrounding properties; therefore, staff recommends approval of the requested
