ISSUE AND BACKGROUND:

The "City of Smyrna Award for Ongoing Excellence in Customer Service" is awarded to a City of Smyrna staff member to recognize their ongoing exceptional performance in the delivery of services to the public and for going above and beyond to ensure the satisfaction of Smyrna residents, customers, and/or visitors to our community.

The "Jonquil Award for Service Excellence in Action" is awarded to a City of Smyrna staff member to recognize their exceptional performance while going above and beyond to serve others in a moment of need.

Frontline City of Smyrna employees in all departments are eligible for the award. Staff members are nominated for their excellence in customer service by a department head, fellow staff member, or a resident/customer. Recipients are selected on a quarterly basis by the Employee Awards Committee, which consists of six permanent City of Smyrna employees that are appointed every two years by the City Administrator.
