Authorization to approve the installation of speed humps and associated striping between addresses 2729 and 2735 Spring Drive.

ISSUE AND BACKGROUND:

Council Member Pickens is requesting the installation of two new speed humps on Spring Drive. The locations are between addresses 2729 & 2735 and between 2823 & 2813. Data was collected in the summer of 2019. At the time traffic volumes averaged approximately 200 vehicles per day and the 85th percentile speed was approximately 30 mph. Additional speed humps are not warranted based upon the City's current traffic calming policy.

Spring Drive is in Ward 1 and Ward 2.

RECOMMENDATION / REQUESTED ACTION:

Staff does not recommend approval.
