File #: 2017-297, **Version:** 1

WARD: Citywide

COMMITTEE: Public Safety

\$ IMPACT: 45,050.00 FY18 CIP

Authorization for Smyrna Fire Department Data Management software - ImageTrend, Inc. in the amount of \$45,050.00. This was approved within the FY18 CIP fund.

ISSUE: Due to recent legislative requirements, Smyrna Fire Department's current data management system will no longer be compliant effective Jan. 1st, 2018. The licensing agreement is no: 263494 with Image Trend, Inc.

BACKGROUND:

Through this recent legislative change, Smyrna Fire will be required to maintain data reporting compliance. A significant upgrade to SFD's data management system is necessary. After substantial contemplation of software providers, SFD recommends a data management provider change to ImageTrend. Georgia State Fire Marshalls office has recently migrated from "FireHouse" software, to "Image Trend". This was approved within the FY18 CIP budget

RECOMMENDATION/REQUESTED ACTION: Request approval of software licensing agreement.
